

Lifelong Learning

At Unity of Lehigh Valley we believe in the infinite possibilities within each one of us. Therefore, we never stop exploring new possibilities, gaining new skills and discovering new insights.

During the month of June we'll have a survey available so that you can indicate what interests you, times and formats that work for you and opportunities to share your teaching skills. Surveys will be available on paper at church and on our website. Please only complete ONE survey. Thank you for your participation and we look forward to learning and growing as a spiritual community.
